Albrecht®
Kommunikationstechnik aus Norddeutschland

Technical Information
Packet Radio Adapter Wiring AE 6080

Albrecht AE 6080 is equipped with an 8 pin Western (modular) plug on the rear side to allow connection of different accessory items, like Packet Radio modems, Selective Calling or FM-Noise-Eliminators (AKE Select).
With a special adaptor cable, ALBRECHT PC-COM modem can be directly connected to the 8 pin Western Modular Plug:
